The Great Adventure by Milo Manara.

Butterscotch by Milo Manara - Goodreads It is very misogynistic without even being exciting. It basically has all the disadvantages of erotica and few of the advantages. The art is pretty, but even it is not that good. The attempt to prove Butterscotch is a nice guy because he didn't rape Honey is absurd, especially considering that he beated her up at the beginning. Slings & Arrows Otherwise, Butterscotch stood for years as Manaraâ€™s most complete erotic novel. The sex is necessary to the story rather than contrived, an initially trivial relationship evolves into a strange form of co-dependency, plot threads are resolved, and the ending, invariably the weakest aspect of Manaraâ€™s erotic work is operatic and memorable, if still abrupt. Milo Manara - Wikipedia In the following years of combining sequels, original work, and collaborations with noted creators, Manara's production continued in this direction to explore erotic comics themes with an artistic and storytelling expression in a manner considered unique to Manara.
